9. Next coming to Demand No. 2 (c) *re* the grant of certain holidays to shift workers, the subject was fully discussed on both sides. The position is that the distinction between the permanent and temporary establishments has to continue and these holidays with pay will be holidays with pay to Permanent Establishment only; and so far as daily rated temporary staff is concerned, it will be a holiday involving loss of wages, except for the specified religious holidays. This position is explained and this issue is not further pressed by the Association representatives. Hence this demand is treated as withdrawn by the Association.

10. As regards Demand No. 3 (preparation of schedule of wages and grant of increments), the Management replied that they were preparing the schedule of wages and would publish it shortly. As regards the grant of progressive scales of wages, the Management said that since this involved financial implications they required time before they could give their final decision. The Association representative stated that the Management had sufficient time inasmuch as the notice of change was given in January 1947 and that asking for more time was not acceptable to them. The Association pressed the demand. The Management representative pleaded his inability to accept the demand. So, no settlement was possible between the parties in regard to this demand.

11. Finally, in regard to Demand No. 4 *re* Preparation of "Definite Plan" for housing the Labour and in the meanwhile pay a conveyance allowance, the Management representative stated that they could not take up the Housing Scheme vigorously owing to the difficulty in securing materials during the war period and that the matter is now under the active consideration of the Company, and in the meanwhile they were prepared to consider the question of granting conveyance allowance if concrete proposals already called for from the Association and which had not yet been complied, are sent up. The Association representative stated that the information had been furnished during discussions at the earlier stages and that the Association's proposals are (1) that the employees coming from Mysore with Railway Pass may be given a Conveyance Allowance of Rs. 5 a month, and (2) that the employees coming from the surrounding villages of a distance of three miles or more may be given a conveyance allowance of Rs. 5 a month. The General Manager stated that the Management was agreeable to grant in the case of those coming from Mysore with a pass, a conveyance allowance equal to the cost of the pass and that, in the case of those coming from the surrounding villages from a distance of 5 miles and beyond a conveyance not exceeding that given to those coming by train from Mysore would be considered after further examination and verification of the financial implications. The President of the Association after consulting the other Office Bearers present, stated that they were not agreeable to the offer made by the General Manager. They pressed the demand. The Management's representative stated that he could say nothing further than the offer made. However, no settlement was possible on this issue.

12. All possible ways of settlement were explored, but the parties did not come to a settlement in regard to Demands Nos. 1, 3 and 4, while Demand No. 2(*a*), (*b*), (*c*) and (*d*) was withdrawn.

13. Thus, of the four demands, one demand, No. 2(*a*) (*b*), (*c*) and (*d*), was withdrawn and the remaining three demands, Nos. 1, 3 and 4, were pressed by the Association, but were not accepted by the Management.

14. The conciliation in regard to these three demands (*viz.*, 1, 3 and 4), thus ended in failure, which I hereby report.

15. I request that this report may be published in the *Mysore Gazette* as required in sub-section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,
M. NAVANEETHAM,
Chief Conciliator in Mysore.
